THE AMERICAN JOURNAL OF ARCHAEOLOGY, the journal of the Archaeological Institute of America, was founded in 1885; the second series was begun in 1897. Indices have been published for volumes 1–11 (1885–1896), for the second series, volumes 1–10 (1897–1906) and volumes 11–70 (1907–1966). The *Journal* is indexed in *ABS International Guide to Classical Studies*, *American Humanites Index*, *Anthropological Literature: An Index to Periodical Articles and Essays*, *Art Index*, *Arts & Humanities Citation Index*, *Avery Index to Architectural Periodicals*, *Book Review Index*, *Current Contents*, *Humanities Index*, and *Wilson Web*.

MANUSCRIPTS and all communications for the editors should be addressed to Professor Naomi J. Norman, Editor-in-Chief, *AJA*, Department of Classics, Park Hall, University of Georgia, Athens, Georgia 30602-6203, fax 706-542-8503, email nnorman@aia.bu.edu. The *American Journal of Archaeology* is devoted to the art and archaeology of ancient Europe and the Mediterranean world, including the Near East and Egypt, from prehistoric to Late Antique times. The attention of contributors is directed to “Editorial Policy, Instructions for Contributors, and Abbreviations,” *AJA* 104 (2000) 3–24. Guidelines for *AJA* authors can also be found on the World Wide Web at www.ajaonline.org. Contributors are requested to include abstracts summarizing the main points and principal conclusions of their articles. Manuscripts, including photocopies of illustrations, should be submitted in triplicate; original photographs, drawings, and plans should not be sent unless requested by the editors. In order to facilitate the peer-review process, all submissions should be prepared in such a way as to maintain anonymity of the author. As the official journal of the Archaeological Institute of America, *AJA* will not serve for the announcement or initial scholarly presentation of any object in a private or public collection acquired after 30 December 1973, unless its existence was documented before that date or it was legally exported from the country of origin. An exception may be made if, in the view of the Editor-in-Chief, the aim of the publication is to emphasize the loss of archaeological context. Reviews of exhibitions, catalogues, or publications that do not follow these guidelines should state that the exhibition or publication in question includes material without known archaeological findspot.

BOOKS FOR REVIEW should be sent to Professor John G. Younger, Editor, *AJA* Book Reviews, Classics Department, Wescoe Hall, 1445 Jayhawk Boulevard, University of Kansas, Lawrence, Kansas 66045-7590, tel. 785-864-3263, fax 785-864-5566, email jyounger@ku.edu. The following are excluded from review and should not be sent: offprints; reeditions, except those with great and significant changes; journal volumes, except the first in a new series; monographs of very small size and scope; and books dealing with the archaeology of the New World.

THE AMERICAN JOURNAL OF ARCHAEOLOGY (ISSN 0002-9114) is published four times a year in January, April, July, and October by the Archaeological Institute of America, located at Boston University, 656 Beacon Street, Boston, Massachusetts 02215-2006, tel. 617-353-9361, fax 617-353-6550, email aia@aia.bu.edu. Subscriptions to the *American Journal of Archaeology* may be addressed to the Institute headquarters. A subscription request form can also be downloaded from the *AJA* Web site (www.ajaonline.org). An annual subscription is \$75 (international, \$95); the institutional rate is \$250 (international, \$290). Membership in the AIA, including a subscription to *AJA*, is \$125 per year (C\$192). Student membership is \$73 (C\$118.50); proof of full-time status is required. International subscriptions and memberships must be paid in U.S. dollars, by a check drawn on a bank in the U.S., by money order, or by credit card. Subscriptions are due 30 days prior to issue date. No replacement for nonreceipt of any issue of *AJA* will be honored after 90 days (180 days for international subscriptions) from the date of issuance of the fascicle in question. When corresponding about memberships or subscriptions, always give the account number, as shown on the mailing label or invoice. A microfilm edition of the *AJA*, beginning with volume 53 (1949), is issued after the completion of each printed volume. Subscriptions to the microfilm edition, which are available only to subscribers to the printed *AJA*, should be sent to National Archive Publishing Company (NAPC) (formerly ProQuest Information and Learning), 300 North Zeeb Road, Ann Arbor, Michigan 48106. Back issues of *AJA* and the *Index 1907–1966* may be ordered from the Archaeological Institute of America. Back issues of the *AJA* from 2000–present are available in nonprintable pdf format on the *AJA* Web site. Exchanged periodicals and correspondence relating to exchanges should be directed to the Archaeological Institute of America in Boston. Periodicals postage paid at Boston, Massachusetts, and additional mailing offices. Postmaster: send address changes to the *American Journal of Archaeology*, Archaeological Institute of America, located at Boston University, 656 Beacon Street, Boston, Massachusetts 02215-2006.

The opinions expressed in the articles and book reviews published in the *American Journal of Archaeology* are those of the authors and not of the editors or of the Archaeological Institute of America.
